PROGRAMME OF FAMILY EVENTS

The Beeline Storytelling Festival for Children is organised by the University of Worcester. Now in its ninth year, the festival has grown and is now one of the largest children's events in the region. The Beeline Festival is a celebration of stories and storytelling which we believe to be one of the central elements to children's learning, creativity and fun.

During last year’s festival we worked with over 3000 children from schools across Herefordshire and Worcestershire, who worked with some of the UK’s finest authors, illustrators, storytellers, puppeteers and performers.

As in previous years, the majority of Beeline Festival events are aimed at schools (a full list of school events can be seen on our website). However, following the successes of previous years ‘family programme’ at The Hive, we have increased the number of public events including four days of activities during half term. We very much hope that you enjoy this year’s Festival.
