Every Christmas party is bespoke to fit your needs. You decide the food, music and time of the party. You can also request additional services to be added to ensure your night has the perfect party atmosphere.

One particular request we regularly get is what music is played. From Christmas classics to the latest chart toppers, you can have your favourite songs played by one of our provided professional DJs at an additional charge. Costs depend on length of party and availability.

If you have your own playlists ready, you can even bring your own DJs in.
